Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

## Quatrains Of Omar Khayyam Of Nishapur Omar Khayyam

### Quatrains Of Omar Khayyam Of Nishapur

In 1906, Eben Francis Thompson, scholar and poet, published a limited edition of his translation of the Quatrains of Omar Khayyam. This edition contains 878 quatrains, and represents the most extensive translation of Omar's rubai in any language.

In the Introduction, Nathan Haskell Dole writes: Mr Thompson has put into English verse this whole body of Persian poetry. It is a marvel of close translation, accurate and satisfactory. He has succeeded in doing exactly what he set out to do – to add nothing and to take nothing away, but to put into the typical quatrain, as determined by Fitzgerald and others, exactly what Omar and his unknown imitators said.
